Home Page & IMP Instructions

1.The Candidate has to submit and confirm the Online Option Form for CAP Round I through Candidate login by himself/herself. It is not required to report to FC/ARC for confirmation.

2.Candidate needs to select the institutes types, autonomy status and minority status where he/she wants to apply for (atleast one status should be selected from each type).

3. The candidate needs to select the districts from the district list. if they want to select all districts from the particular region they can select that region and all districts from that region will be selected automatically. If a candidate wants to select all the districts they can simply Click on 'Select All'.

4.Candidate needs to select the TFWS Choice Codes Yes or No (Only applicable to those candidates who are having TFWS status as YES in their final merit.).

5.Candidates need to select the medium of instruction and evaluation (if English and Marathi - English selected all the courses will be displayed and if only Marathi - English OR English- Hindi selected only bilingual courses will be displayed with respect to the selection of other filters)

6.Candidates need to select the filter type on the basis of course or institute. If course selected then all the courses list will be populated and from that candidate can select the courses for that they are looking. If the institute is selected then all the institutes will be displayed in the dropdown from the filters (institute type , autonomy status , minority status and district / region). Candidate can select multiple institutes from the dropdown, and on the next page all the courses under that institute will be displayed.

7.A list of all the Institutes will be displayed. Click on check box given in front of the Choice Code. You can select upto maximum 300 Choice Codes. After you finish selecting Choice Codes, Click on Save & Proceed Button.

8.All the options selected by Candidate will be shown. To set preferences, Candidates need to select particular Choice Code and move it up or down as per his/her choice by clicking on up and down arrow.

9.You are allowed to set preferences to maximum of options from selected list for CAP Round I.

10.Then all the options in order of preferences given by you are shown. Candidate can modify preferences, add choices, delete choices before confirmation of the online Option/Preference Form.

11.If you are sure about the preferences set for Institutes and Courses then click on 'Confirm' button. To Confirm your Option Form for CAP Round I, You have to enter your password, that you used for login.

12.Candidate should keep the printout of Receipt-Cum-Acknowledgement of Option/Preference Form for future reference.

13.Candidate should keep their registered mobile number phones with them later on, they will receive the OTP on the registered mobile number.

14. The Option Form just submitted, but not confirmed by the Candidate himself/herself will not be processed for allotment.

Select Course

- To select any filter click on the checkbox given in front of that filter.
- Candidate needs to select the institutes types, autonomy status and minority status where he/she wants to apply for (atleast one status should be selected from each type).
- The candidate needs to select the districts from the district list. if they want to select all districts from the particular region they can select that region and all districts from that region will be selected automatically. If a candidate wants to select all the districts they can simply Click on 'Select All'.
- Candidate needs to select the TFWS Choice Codes Yes or No (Only applicable to those candidates who are having TFWS status as YES in their final merit.).
- Candidates need to select the medium of instruction and evaluation (if English and Marathi English, English -Hindi selected all the courses will be displayed and if only Marathi English, English -Hindi selected only bilingual courses will be displayed with respect to the selection of other filters)
- Candidates need to select the filter type on the basis of course or institute. If course selected then all the courses list will be populated and from that candidate can select the courses for that they are looking. If the institute is selected then all the institutes will be displayed in the dropdown from the institute type, autonomy status, minority status and district / region filter, candidate can select multiple institutes from the dropdown, and on the next page all the courses under that institute will be displayed.
- If filter-type on the basis of the institute is selected, All the institutes will be displayed from the above selected (Institute Type and district/region) filters. After selecting the institutes from dropdown if you make changes in any filters (institute type or autonomy status or minority status or district / region) your selected institutes will be cleared and you need to re-select the institutes.
- After selecting the appropriate filters, Click on Save & Proceed Button.

Select Institutes Type , Universities and Districts

You have to select institute type, Universities and District

Note : Candidate can select any choice code from particular district by selecting district in the given district list.

Select Institute Types	Government		Government	-Aided	Un-Aid	ed	University
